Friday 25th - Deadline for dates to be submitted for Autumn Term calendar

Governors' Annual General Meeting 3pm

Saturday 26th Junior School Showcase Morning 10am-12noon

FROM THE HEAD

A week of cricket for many of our children! Teams have played in tournaments and the Under 8 & 9 boys have played matches against The Downs. Indeed, all of our Year 5 & 6 girls and all of our Year 3 & 4 boys have represented the school this week! Next week sees more cricket, Play in Class week and Speech and Drama revues too. Whilst we are by no means back to 'normal', it is so good to see the children happy and involved.

As parents can imagine, we are awaiting Monday's Government announcement. However, I am sorry to say that the advice we have received is that schools should expect very little change.

Chris Wright

ASSEMBLIES THIS WEEK

ASSEMBLY (Reception - Year 6)

Be an encourager! We discussed how impactful encouraging comments can be - how important it is to be positive with others and with ourselves too. The children went on to discuss the different ways in which we can encourage each other and ourselves.

Prayer

Dear God,

Thank you that you made us and that you are pleased with what you made.

Please help us to see the good in ourselves.

Please help us to see the good in other people.

Help us to encourage others and show them that we care.

Amen.

Mr Wright announced House Point awards and the running totals in the House Competitions too.

NURSERY

Over half term, a Safari jeep crashed its way into Nursery and we have had lots of fun with it. We have been exploring all things jungle. We looked at different jungle animals, created our own coiled snakes to hang in our jungle den and made some wonderful recycled rainmakers.

YEAR 2

Year 2 have been practising accurately measuring this week in Maths and have recorded their findings.

The children worked in pairs estimating and double checking their measurements, both in and out of the classroom.

We had lots of fun and were surprised at the difference between our guesses and the actual measurements when we compared them! The children drew a neat table to record all of their results. Some budding Quantity Surveyors and Architects in the making perhaps!

RECEPTION

This week Reception have had lots of fun learning about our capital city of London. We have made a suitcase for our work to go in and have even started a London display.

YEAR 3 RE

Last half term, Year 3 tried to answer the question - What kind of world did Jesus want? After finding out lots of information about Jesus they came up with these fantastic ideas:

- A world where people share things.
- A world where people forgive each other.
- A world where people love each other, even their enemies.
- A world where people care about the Earth.
- A world where there is no racism and sexism.

This term their task is to answer this question: How and why do people try to make the world a better place?

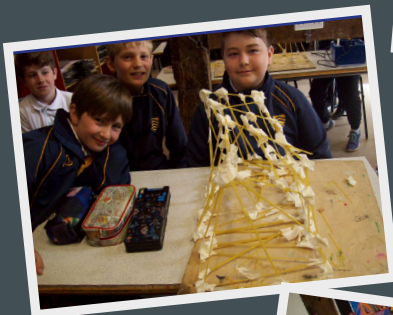

YEAR 5 SCIENCE

Year 5 have been observing caterpillars over the last half term, measuring how fast they grow. Now that the caterpillars have undergone metamorphosis and changed into butterflies, Year 5 have been releasing them in the Quiet Garden.

YEAR 5 MATHS

Year 5 completed their spaghetti bridges this week. We tested them with 500g weights and most of them held. It was great to see the teamwork and problem solving in action.

HAPPY BIRTHDAY THIS WEEK...

Eli Allmark, James Cleary, Ethan Aye-Maung and Kerstin Moritz!

MERITS

Molly Goodwin, Richie Wang, Oscar Prosser, Theo Hartley, Max Baillie, Finn Goodwin, Margot Turner, Emily Evans, Jemima Letts, Beatrix Morgan-Jones, Edward Maxted, Natalie Legge, Aidan Priday, Seb Thompson, Guy Turner, Ben Evans, Sam Houston, Henry Jehan, Flora Rogers, Teddy Morgan-Jones, Annie Walker, Rafe Lines, Harriet Baxter, Emilia Buck, Charlie Fowler and Hector Jefferson.

CONGRATULATIONS ALSO TO...

Poppy Dorise who has qualified for the 85 CM Stepping Stones Final at the British Show Jumping National Championships on August 3-11 after obtaining her two double clears!

BAG 2 SCHOOL

A big thank you to everyone who participated in this term's event. We raised £123.00 for HCJS PTA!

FROM THE GAMES DEPARTMENT

A really busy week where we have enjoyed glorious weather and lots of matches. On Tuesday, two of our Year 3 & 4 boys teams travelled to The Downs for cricket and came away with some really good victories whilst gaining experience all the time. On Wednesday, 24 of our Year 5 & 6 girls travelled to Pentland Gardens to take part in a Kwik Cricket Festival and on Thursday, a team of Year 4 boys did likewise. On Friday another team of Year 3s & 4s played which means that every boy in Year 3 and 4 has been involved in matches.

Results:

The Downs U9 228 lost to HCJS 286
The Downs U9 255 lost to HCJS 307

Thursday Kwik Cricket Festival:

HCJS 252 beat Riverside 239
HCJS 237 lost to Weobley 254
HCJS 231 lost to Holmer 286

Y5/6 Girls Kwik Cricket: Fantastic afternoon at Pentland Gardens where our U11 girls took part in the Kwik Cricket Festival against Holmer, Stretton Sugwas, Weobley and Gorsley.

Our 3 even teams played 4 games each with all of our girls getting the chance to bat in every game with some fantastic hitting and all of our girls bowling overarm in every game. Our fielding was also very impressive with several catches being taken in all teams. All the girls have worked very hard on their cricket to be able to bowl, bat and field confidently in a match.

Our players of the day from each team:

Team 1: Batting: Annie Walker Bowling: Freya Webb Fielder: Vanessa Holman

Team 2: Batting: Fearn Middleton Bowling: Gracie Holloway Fielder: Scarlett Coleman

Team 3: Batting: Emilia Buck Bowling: Poppy Crawford Fielder: Jemima Hayes

All games and match information available on [Firefly](#).

SUMMER'S COOL

Monday 19 July - Friday 23 July

A fun multi-activity week for pupils at Hereford Cathedral Junior School in Years 3 to 6 full of fun, games and activities, including:
