VIRTUAL SPORTS DAY

After an extraordinary week of competition, Britten were deemed the winners of the House Virtual Sports Day last week. Oakeley had a resurgence in the final afternoon, pipping Matthews by just 0.01 of a point with Woodall in fourth not far behind.

They were some outstanding individual performances as well. Honor Watts was the highest scorer in school with 42 and she was followed by Robyn Hussey with 41 and Finlay Hayes and Tom Jackson with 40.

Mrs Gummerson's Year 6 bubble set some scintillating standards with Finlay Hayes jumping 2m4, and Henry Brookson and Devon Creese jumping 1m94 and 1m92 respectively. Finlay also broke the minute marathon record, running 190m in the minute.

Well done to everyone who took part. There was an element of skill, speed, endurance and power in each event and everyone from Reception to Year 6 have played their part in an enthralling competition. The full results are listed to the right.

WE HAVE EXCELLED IN MR TURPIN'S PE CHALLENGE!

Throughout the year, pupils in Years 3 - 6 usually travel around playing sporting fixtures and tournaments against lots of other schools. In the month of June, Mr Turpin instead challenged HCJS pupils to collectively cover the total distance they would have done if they had journeyed to all of the schools and back, a total of 732.2 miles. They could do this by walking, running, cycling. The children once again excelled and their final total was 2303 miles. This is the equivalent of HCJS to Cyprus!

Mr Turpin was delighted with the number of pupils who took part in the challenge and some of the distances individuals had covered. This goes to show once again that as a collective team, we can all achieve great things.
