4. Chair's Report

The Chair welcomed everyone to the meeting.

The Chair had little to report since previous meeting as the Fireworks display had been re-scheduled following bad weather. The Chair encouraged all members present to remind parents of the rescheduled date in the hope that the event will be well attended.

5. Headmaster's Report

The Headmaster reported the following: -

- Mr Wright thanked all the reps who attended the Reps meeting.
- Mr Wright commented that at the Reps meeting the issue of traffic and pedestrians using Quay Street had been raised. Mr Wright asked about the committee members present about their feelings on the situation, and what the approach should be to tackle any unsafe practices. It was suggested that maybe signs could be put up to remind drivers to be aware of pedestrians both at pick up and drop off. Mr Wright said that he will continue to monitor the situation.
- Mr Wright asked if there was interest in having a PTA Coffee Morning next term as the feedback was positive from the Macmillan Coffee Morning held earlier in the term. The consensus was yes. Mr Wright would speak with Mr Debenham to get a date in the calendar, along with confirming the date for Alive & Brel evening.
