FROM THE HEAD

What a wonderful PTA Ball – very many thanks to the team of parents who worked so hard to organise the evening, and to all who were able to come and support the event, our PTA and the school. It was also great to see all the parents who were able to come and support the children in our Pre-Prep Sports Day on Monday. I do hope you all enjoyed the event – certainly the children did! (We have posted many photos on [our Facebook page](#)). My thanks too to those parents who came to Tuesday's PTA meeting and to Thursday's New Reception Parents' Evening. It has been super to welcome so many parents to school this week!

The highlight of the Head's week was most certainly being called upon to manage one of the U11 cricket teams playing against RGS on Wednesday – it was fantastic to see the children playing with such enthusiasm and endeavour. All the children in Years 5&6 represented the school in matches on Wednesday. Some of the girls played cricket, again against RGS. How lovely for the Head to receive a note from the RGS Head of Girls games: "Your girls were absolutely delightful - so polite and friendly and they even taught me and my girls some cricket etiquette". Well played, everyone!

Next week...roll on the Year 6 play, Reception's trip to Newbridge Farm, U9 cricket, and reading week!

ASSEMBLIES THIS WEEK

Monday (Reception - Year 6): Kajetan played the piano. Mr Debenham talked about the importance of words. He talked us through his morning and all that he had said which he regretted. He showed us how words once said, cannot be taken back – he tried to put some toothpaste back into a toothpaste tube by way of illustration!

Tuesday (Reception – Year 2): Mr Wright talked about disabilities. After our Pre-Prep Sports Day yesterday, we watched a clip of Paralympic athletes performing in the recent Paralympic Games and marvelled at the athletes' commitment.

Wednesday (Years 3-6): 3W led our assembly. Each member of the class had researched their favourite animal and presented us with clues from which we tried to guess their chosen animal. We all enjoyed their presentation and learnt a great deal!

Friday (Years 3-6): Mr Wright spoke about how an oyster produces a pearl in response to the irritation of a stray piece of grit. We talked about Paralympians and their response to life's set backs, and thought about how we can respond when things go wrong.

A NEW FACE IN NURSERY

I am delighted to announce that Miss Sarah Mann will be joining us in September as our new Nursery Leader. Miss Mann is currently working at Beech House where she leads the Tiny Tots Room. Happily, she will be starting in the Nursery on Monday 18th June, and will work alongside Mrs Windows for the remainder of the term, before taking over as Nursery Leader in September.

PARKING

It has recently come to our attention, via complaints from residents, that there have been instances where parents have blocked the driveways of local residents. This has resulted in them not being able to get their vehicle in or out of their own driveway, which, understandably must be very frustrating. Please can parents be reminded of the school's parking leaflet, which is available here:

<https://www.herefordcs.com/sites/default/files/downloads/HCS%20Parking%20Guide.pdf>

In the interests of our local residents but also of safety, we ask that parents take careful note of the parking regulations below:

- Parking or waiting on the yellow zig-zag lines and in the 'Keep Clear' areas is not permitted
- Double parking in Castle Street or Castle Hill is not permitted
- Parking or waiting in Ferrers Street and Quay Street is not permitted

In addition, please do not pull up onto the grass on the edge of Castle Green as this damages the grass, and please do not leave your car engine running when parked in Castle Street.

WE HAVE A CHAMPION IN OUR MIDST

Many congratulations to Zara for her successes in the pool at the London Aquatics Centre on Saturday. From a regional heat, Zara qualified for the semi-finals and then the finals of the National IAPS Swimming Competition (U11 50m breaststroke). She won the semi-final (setting a new IAPS record of 35.88 seconds) and went on to win the final too, bringing the gold medal back to HCJS and Hereford. Many congratulations, Zara!

PRE-PREP SPORTS DAY

On Monday, all of the children in Nursery and Pre-Prep took part in their Sports Day. The sun shone all afternoon and there was huge excitement as the children took part in a variety of races. The children participated with enthusiasm and were loudly cheered on by a very supportive body of parents and grandparents. The afternoon's events were concluded with all of the Pre-Prep children taking part in a huge house relay event. Throughout the afternoon the children accumulated points for their houses and the final results were: Britten 1st, Woodall 2nd, Matthews 3rd and Oakeley 4th. The Year 2 Sports cups were awarded to Tallulah and Henry. Congratulations to all children who took part.

NURSERY

Nursery Children loved taking part in Sports Day! Everyone ran fast, cheered loudly and enjoyed the afternoon; our teddy bears especially enjoyed themselves! The children were all so well behaved and Mrs Windows and Mrs Spalding were so proud of them.

HEREFORDSHIRE PRIMARY SCHOOLS' CHESS CHAMPIONSHIPS

The Junior School hosted the finals of the Herefordshire Primary Schools' Chess Championships on Tuesday. Owing to a late withdrawal of one of the finalists, our B team stepped in to maintain a 4 team round robin format for the competition. The first round pitted our As v Bs and the B team went down fighting, claiming a half point on board 5. The As comfortably won their second round match against Holmer Academy and the Bs found it tough going against an impressive Whitchurch Primary side. This meant that the final games; As v Whitchurch and Bs v Holmer were effectively a final and third place play off respectively. The B team played with real determination and lost 1.5-5.5 with all games going deep into the time allocated. The A team had a titanic struggle with Whitchurch, losing the first game relatively quickly, bouncing back to take a 3-2 lead and then losing both of the two final games on adjudication, resulting in a 4-3 defeat. All the players were commended for their skill, concentration and enthusiasm throughout the afternoon.

YEAR 3

It's been money, money, money in Year 3 this week where the children have been making different amounts and finding change using coins in the classroom.
