HEREFORD CATHEDRAL  
SCHOOL

The Head of the Junior School, staff and children invite you to our

## SHOWCASE MORNING

On Saturday 30<sup>th</sup> June, from 10am until midday (details below).

Parents of children who have attended our Nursery may also like to visit the Nursery and wish Mrs Windows well, as she moves from the Nursery in July.

### SHOWCASE MORNING

The Junior School Showcase Morning is on Saturday 30<sup>th</sup> June, from 10am until midday, as advertised in the school calendar. This is an opportunity for you to visit the school with your children, to see something of their work and of classroom displays, and to meet next year's form teachers. During the morning, there will be various performances and presentations in the Quiet Garden. As has been the case in previous years, it is hoped that all children (from Reception to Year 6) will attend. The children should wear school uniform (cap and hats not required). Current Nursery children and parents are also very welcome.

### FROM THE HEAD

The children in Year 6 treated us to a marvellous production of 'Treachery at Traitors' Quay' this week. The standard of the performance was stunning, and was quite rightly recognised with a standing ovation on Thursday evening. My thanks to the children and to the staff involved. A product of such quality requires a great deal of commitment from many children and adults too.

We are heading into the busiest time of the school year. There is a great deal going on for the children and us adults to enjoy. Please do comb through the school calendar, and pay careful attention to letters home, so that together we remain on track!

*Chris Wright*

## ASSEMBLIES THIS WEEK

**Monday (Reception - Year 6):** Mrs Roberts spoke about change. We explored how different people might feel if we had a new puppy, if we were moving to a new town, or if we had to go to breakfast club. We talked about expected changes and unexpected changes, the inevitability of unexpected change and how we might approach this.

**Wednesday (Years 3-6):** Mr Brown & the Eco Club told us of the work of the club. They have written to a number of supermarkets, and have received replies from Tesco and Asda. They have also written to the embassies in China, Vietnam and Indonesia. The club have looked into many different areas relating to the environment, including: what cities will be like in the future, the use of bikes, car free cities, Supertree Grove in Singapore, animal-friendly neighbourhoods and farms, green energy initiatives, floating cities, measures that can be taken to reduce plastic waste, and how homes can be made more environmentally friendly.

**Friday (Years 3-6):** The Dean gave us a whistle-stop tour of the history of Rome, and told us all about the forthcoming Chorister trip to sing for the Pope.

### HCJS CHORISTERS

Congratulations to three HCJS Choristers - Alex, Will and Theo, and Chorister Tutor, Mrs Kath Jones, who were Confirmed last Sunday at the Baptism and Confirmation Eucharist service at Hereford Cathedral.

### YEAR 6 'TREACHERY AT TRAITORS' QUAY'

Year 6 delivered a joyful and memorable show this week, performing 'Treachery at Traitors' Quay' to a full audience at the Powell Theatre in the Senior School. The cast had worked hard learning different accents and they were focused on speaking out to the audience and delivering a believable script. They succeeded in doing everything they were asked, and the audience enjoyed the exciting plot. Packed full of wonderful humour, it was a delight to see the natural talent of the children shine through. The Dawson children, the Eggin-Drakes, the Home Guard, Miss Albright, HM Grogg, Parker, PC Lovham and Mrs Lovham, Kitchener and Mulch, all developed their own unique acting styles. Churchill, played by Joseph, had rehearsed his speeches getting the intonation very close to the real man and the smoke machine added to the atmosphere. The Land Girls danced the Jitterbug beautifully and the mums, evacuees and Air Raid Wardens helped to create even more atmosphere for the scenes. A special thanks to Jay for learning extra lines for the first two shows. The songs complimented the show and everyone sang with great enthusiasm.

A huge thank you to all staff for their hard work and for the parents for their support with costumes and hair! A standing ovation from the audience on the final night was the icing on the cake, and Year 6 can feel suitably proud of producing such a vividly magical and memorable show. Congratulations to all of Year 6 and always remember – keep calm and carry on!

### RECEPTION'S VISIT TO NEWBRIDGE FARM PARK

Reception enjoyed a trip to Newbridge Farm Park this week and especially enjoyed handling small animals, collecting eggs, feeding the goats and the fun ride on the tractor trailer. The photographs speak for themselves!

### THANK YOU TO FRANCESCA & JACOPO

This week, we have been joined by two Year 10 Italian students, Francesca & Jacopo. They have been helping in the classrooms, and the children have enjoyed working with them.

### NURSERY

One of our dinosaurs is missing! Nursery children had a fantastic week thinking about dinosaurs. They practised so many skills and learnt so much about dinosaurs. This week, the children have also been learning about insects and mini beasts. They have enjoyed lots of different activities but their favourites were a mini beast hunt and making caterpillar snacks!

### 4B VISIT TO BIG PIT NATIONAL MINING MUSEUM

Last Saturday 4B enjoyed a brilliant visit to the Big Pit mining museum at Blaenafon. The day started with a 50 minute underground tour of the old coal works with a retired coal miner. He was able to tell the children what working down the mines in recent times was like and how in Victorian times they themselves would have almost been old enough to start work underground. They also

saw the underground stables where the pit ponies were housed for 50 weeks of the year. After lunch we visited the pit head showers and mining museum and took part in a self-guided tour of a recreated mine. Finally we visited the Old Iron Works, where much of the coal was used to smelt iron. This included visiting cottages furnished in a range of styles dating from the early 19th century to present day. Below are some of the children's comments:

"My favourite part of Big Pit was when we went in the cage and were lowered into the ground and when we got down there were horse stables. I also loved going to the museum and going in the tunnel which was there so we could know what it was like underground without any lights".

"I enjoyed going down the mine because it was so incredible. We saw an old first aid kit and we saw the horse stables. Our guide was called Pete and he was very funny".

## **YEAR 6 LEAVERS' PARTY**

Please note that there is a slight change to the start time of the Year 6 Leavers' Party on Friday 6<sup>th</sup> July, as advertised in the school calendar. **Arrival at the party will now be at the slightly later time of 7pm, rather than 6.45pm.** This will allow extra time for the choristers to arrive, as they will be coming from rehearsals. Further details about the party have been sent to parents of children in Year 6.

## **BROWNIES**
