Dear Parent,

Welcome back. I hope you have all had a lovely Easter break. The Summer term has arrived, our last term all together in Nursery! It has been a wonderful year so far and I hope over this next term we continue to have endless amounts of fun and learning. Please see below for the termly topics, weekly sound focus and events. Thank you to those parents who have ensured your child brings something from home beginning with our focus sound. Please could I encourage all children to be a part of this as the sound table plays an important part in sound recognition and continues to enrich our learning. Thank you again for all of the continued support. Here's to a happy Summer term!
